

**It's not butter and it's not lard.
It's new delicious taste.**

botanova

Miyoshi Oil & Fat Co., Ltd. has thoroughly analyzed the ingredients that create the aroma of animal-fat taste such as that contained in conventional butter and lard. Using our own unique technology to create aroma and taste, we have succeeded in creating a brand new tastiness of the special properties of animal-fat taste from only plant-based ingredients.

“Plant-based Margarine —Butter Taste—”

and

“Plant-based Seasoning Oil —Lard Taste—”.

With plant-based foods becoming more and more popular around the world, we have introduced the new brand “botanova”.

 MIYOSHI OIL & FAT CO.,LTD.

Botanova

Plant-based Seasoning Oil —Lard Taste—

This cooking oil has the flavor of lard without using ingredients from animals. Using Miyoshi's unique technology to create a unique taste, we have created an authentic animal-fat taste from only plant-based ingredients.

The Special Properties Behind Our Flavor

- With a sweet and delicious taste in flavoring oil, it has the fragrance of lard.
- By simply adding this to food, it create a sautéed flavor and a cooked taste.
- The delicious taste, flavor and full-bodied aroma of animal-fat taste.

Recommended Uses

- Use as fat for making hamburger patties, pot stickers and the filling in Chinese buns using plant-based burger, such as soy-meat burger.
- Use as oil for making fried rice and sautéed vegetables.
- Use as oil for making French fries and croquettes.
- Use to bring out the rich flavor of ramen noodles and vegetable soup.

The Special Characteristics Behind Our Product

- Brings a rich flavor and delicious taste with flavoring oil seasoned with vegetables and malt rice
- Covers up the raw smell of soy-based /pea-based products which often used in plant-based food
- Vegan certification by VegeProject Japan
- Uses RSPO certified oils

2-0787-17-100-00

We use the same facilities to also manufacture products that contain ingredients from animals.

Sensory Evaluation of Hamburger Patties with Soy-meat

A rich and delicious taste only using plant-based ingredients

Add at a ratio equal to 20% of the amount of soy burger used [n=12]
